Expert Talk Report

The Indian Geotechnical Society (IGS), student chapter, Department of Civil Engineering, Terna Engineering College organized an Expert talk on "Geotechnical Challenges in Urban Infrastructure" on 26th Sept., 2023 for all students of Civil engineering. The lecture was delivered by Dr. Dasaka Murthy, Professor, IIT Bombay & Chairman, IGS Mumbai Chapter. The scope of Geotechnical Engineering expanded significantly in the last 30 years, and students are exposed to the wide coverage of current trends and exciting professional/research opportunities in geotechnical engineering. There is a need to motivate students to give exposure to careers and opportunities in this area and also develop leadership skills among students which will help them in their career.

This expert talk benefitted the students to enhance their knowledge regarding Geotechnical Engineering and the recent trends in it. A quiz was also conducted by the expert, also students' doubts were been cleared satisfactorily during doubt session.

Expert Talk Report

The R&D cell of the Civil Department of Terna Engineering College organized an Expert talk on "Effect of Admixture on Properties of Concrete" on 10th April 2024 for S.E. & T.E. Civil engineering students. The lecture was delivered by Ms. Pranjali Takwale, Engineer Technical Support, Krishna Conchem Product Pvt Ltd. Navi Mumbai.

This expert lecture is required for the students to enhance their knowledge about different kinds of admixtures & their function in improving the quality of concrete. As this advanced techniques not been mentioned in curriculum in detail, so expert lecture needs to be organized.

This expert talk benefitted the students to understand the basic concept of using admixture in concrete & its function to improve the quality of concrete. A doubt clearing session was also organized with student & expertise.
