Indian Chapter - American Concrete Institute (IC-ACI)

A.Y. 2023-24

The IC-ACI was established in TEC on February 2020

Benefits of IC-ACI:-

- The Student Chapter of the Indian Chapter of the American Concrete Institute (IC-ACI) serves as a valuable platform for students pursuing studies and careers in concrete technology and construction engineering. It offers opportunities for education, networking, and professional development in the field.
- The student chapter facilitates connections between students, professors, and professionals in the concrete industry. This networking can lead to internships, research opportunities, and potential career paths in the field.

IEI - Institution of Engineers

A.Y. 2023-24

The Institute of Engineers (IEI) Chapter was established in TEC on February 2020

Benefits of IEI Membership:

1. Can Facilitate various Training programs by IEI
2. Peer network can be strong with the help of IEI
3. Can gain knowledge under various seminars and events and by accessing IEI library
4. Access to Publications
5. Support for Project work

We IEI Committee at Terna Engineering College organize various activities to help student learning and development, right from Technical events and celebrating important days like Engineers day and many such events with a good coordination from all the committee members. Our main event is Poster Presentation which is held every year, which helps our student to present their project in front of experts from various fields and help them to enhance their projects in future.
