✨ Greetings from **TEC Alumni Association.** ✨
TECAA has organised an online webinar on **"Database Management & Industry Opportunities"** for all the students.

By our outstanding **2010** class **alumnus:**
Mr. Mithun M. Patil
Designation: Lead oracle database Administration

What is Database Management ?
Database Management Systems (DBMS) are software systems used to store, retrieve, and run queries on data. A DBMS serves as an interface between an end-user and a database, allowing users to create, read, update, and delete data in the database.

Date: **1st October 2022**

Letter of Appreciation

To,
Mr. Mithun Patil,
Lead DBA at Tech Mahindra Ltd.

I would like to take this opportunity to express my gratitude towards accepting our invitation and conducting an online webinar for our students on **"Database management and Industry Opportunities"** on 10 October 2022 at 3.00pm. I appreciate your valuable guidance to the students.

The presentation of your Domain knowledge in the field of Database management and its career paths was really good.

Thank you once again.
Looking forward to get associated with you in the forthcoming days.

Sincerely,

Alumni Coordinator|Comeuter Dept|
Miss. Mohini Misale

Report/ Summary

Terna Engineering Alumni Association and Department of Computer Engineering organized an Online Alumni interaction session on "**Database Management & Industry Opportunities"** on October 01, 2022 through Google Meet from 03:00 PM to 04:00PM. The speaker of this program was **Mr. Mithun Patil, Lead Oracle Database Administration Tech Mahindra LTD**, an alumnus (Batch 2006-2010) Computer Engineering, Terna Engineering College, Nerul. Program started with the welcome address by Ms. Mohini Misale, faculty Computer Department was followed by highly motivational lecture delivered by the speaker. The interaction was designed to guide and motivate the students to take up the correct careers with full seriousness and in the right spirit in Database domain.

The following topics were discussed during the interaction:

1. Career Guidance in Database Domain

2. Preparing for the Corporate Challenges.

3. Personal SWOT analysis/GAP Analysis.

4. Skills sets required for the Database stream.

Around **46 students** attended the program. Few of the questions from the audience were taken up by the speakers during the Q & A session. The variety and range of questions raised show that the participants took an active part in the program. The interaction ended with a vote of thanks by

Prof Smita Deshmukh, Alumni Coordinator Terna Engineering College, Nerul **to** the authorities, speakers, students and to the organizing team.
