Report on Global Education Fair

Organized by Terna Engineering College, Nerul

Date: 15th September 2025

Time: 2.00 PM to 5.00 PM

Venue: A.C. Reading Room, 4th Floor Library, TEC Nerul

- The **Higher Education Cell of Terna Engineering College, Nerul**, in association with **Imperial Overseas Consulting Ltd.**, successfully organized the **Global Education Fair-2025** on **15th September 2025**. This mega event aimed to provide students with valuable exposure to global higher education opportunities and create awareness about **Postgraduate (PG)** and **Ph.D. programs** across various prestigious universities worldwide.

Objectives of the Event:

- To familiarize students with global education opportunities.
- To provide direct interaction with international university representatives.
- To offer guidance on standardized exams and financial aid.

Inauguration:

The event was inaugurated by **Principal Dr. Deven Shah** and **Mr. Banit Singh Sawhney**, CEO of Imperial Overseas. Other dignitaries present included:

- **Mr. Vijaykumar Chaudhari**, Incharge, Higher Education Cell
- All **Heads of Departments (HODs)** at Terna Engineering College and the Librarian Mrs Nawale
- **Higher Education Cell coordinators**
- **Mr. Tejas Kalamkar**, Business Head at Imperial Overseas and Imperial Overseas team and faculty members
- A large number of enthusiastic students

Participation:

Over **25+ reputed universities** from the **USA, UK, Germany, Australia, and New Zealand** took part in the fair. These included:

- **USA:** Northeastern University, Rochester Institute of Technology, Adelphi University, Auburn University, Cleveland State University, San Jose State University, Pace University, University of North Texas, University of Denver, Johns Hopkins University, University of Dayton, University of Massachusetts Boston, University of Pacific, Rutgers University – Camden, MCPHS University, WPI, QSA - Temple University, Bryant University, South University
- **Canada:** Sheridan College
- **Germany & Others:** Schiller International University

- **Australia/New Zealand:** Victoria University, University of Wisconsin Stout, ECA Global
- **Education Groups:** INTO University Partnerships, Kaplan University

Student Response:

The event received an **overwhelming response**, with **500+ students** from various departments, including:

Computer Engineering, Information Technology, Artificial Intelligence & Data Science, Electronics, ENTC, Civil, Mechanical, Mechatronics, B Design

The venue buzzed with energy and intellectual curiosity. Students were seen engaging with university representatives at individual booths, seeking information about courses, admission processes, and scholarship options.

Additional Services Provided:

- **Counselling** on GRE, TOEFL, IELTS
- **Scholarship information**
- **Financial guidance** from **Credila** and **Eduloan** representatives

Key Highlights:

- Vibrant and academically charged environment
- Personal interaction between students and international university delegates
- Practical guidance on study-abroad planning
- Excellent coordination and support from faculty and staff

Acknowledgements:

The grand success of the Global Education Fair was possible due to the **visionary support and motivation** from **Principal Dr. Deven Shah** and the **Terna Management**. Special thanks to:

- All **HODs, HE Cell Coordinators, the Librarian**
- Teaching and non-teaching staff
- **Team Imperial Overseas** for their enthusiastic collaboration

Conclusion:

The Global Education Fair 2025 proved to be a **milestone event** that enriched the academic outlook of Terna students. It significantly boosted awareness and enthusiasm about higher education abroad and truly **fulfilled its purpose** of empowering students for global academic success.
