#### Grievance Redressal mechanism for Faculty, staff and students-

The Principal, Terna Engineering College hereby constitutes the Faculty / Staff / Students Grievance Redressal Committee in order to redress individual as well as collective grievances of the faculty / staff / students of the institute with the members as follows.

1. Dr. B.G. Hogade - Chairman

Professor, Elec.

2. Prof. R.D.Patane, - Member

HOD, GE

3. Dr. C.M.Choudhary - Member

HOD, Mech.

4. Mr. Manoj Kokate - Member

Management Coordinator,

TEC

Based on a written request, the committee may, at its discretion, invite the aggrieved faculty / staff/ students for a personal hearing. The above Redressal Committee may hold its meeting from time to time as may be necessary. All the representations received by the end of previous month shall be deliberated upon its meetings. The Committee shall give its recommendations in the grievances referred to it within three months time.

Establishment of Anti Ragging Committee

# Establishment of Grievance Redressal Committee in the Institution and Appointment of OMBUDSMAN by the University

The Principal, Terna Engineering College hereby constitutes the Faculty / Staff / Students Grievance Redressal Committee in order to redress individual as well as collective grievances of the faculty / staff / students of the institute with the members as follows.

5. Dr. B.G. Hogade - Chairman

Professor, Elec.

6. Prof. R.D.Patane, - Member

HOD, GE

7. Dr. C.M.Choudhary - Member

HOD, Mech.

8. Mr. Manoj Kokate - Member

Management Coordinator,

**TEC** 

and

1. Dr. B.G. Hogade - Ombudsman

Professor, Elec.

Based on a written request, the committee may, at its discretion, invite the aggrieved faculty / staff/ students for a personal hearing. The above Redressal Committee may hold its meeting from time to time as may be necessary. All the representations received by the end of previous month shall be deliberated upon its meetings. The Committee shall give its recommendations in the grievances referred to it within three months time.

All aggrieved students, their parents & others may thenceforth approach to the Grievance Redressal committee of the Institution in the first instance; and if they are not satisfied with the decision of the Committee, they may send their appeals to the "OMBUDSMAN" directly. The 'OMBUDSMAN' shall exercise its powers to hear those grievances and ensure its disposal within one month of the receipt of the appeal.

# Internal Quality Assurance Cell (IQAC)

#### 11. Admission Procedure

Mention the admission test being	1) MH-CET: Enterence test conducted by DT	E. Mumbai, Govt of				
followed, name and address of the Test	Maharashtra, State Common Enterance Test (					
Agency and its URL (website)	State Mumbai (Website – www.dte.org.in and www.mahacet.org					
	2) AIEEE :					
	3) JEE Main: Central Board of Secondary Edu	ication, New Delhi.				
	4) JEE Advance: Central Board of Secondary Delhi.					
Number of seats allowtted to different	1) MH-CET: 65% of sanctioned intake of eac	ch course				
Test Qualified candidate separately (AIEEE/CET (State conducted test	2) AIEEE, JEE Main & JEE Advance : 15% of sanctioned intake of each course					
Universtiy tests /CMAT / GPAT) Association conducted test)	3) Institute lavel seats : 20% of sanctioned intake of each course					
Calendar for admission against	Last date of request for applications	13.11.2022				
Management / vacant seats	Last date of submission of applications	15.11.2022				
	Date for announcing final results	16.11.2022				
	Release if admission list (main list and waiting list shall be announced on the same day)	17.11.2022				
	Date for acceptance by the candidate (time given shall in no case be less than 15 days)	18.11.2022				
	Last date for closing of admission	18.11.2022				
	Starting of the Academic session	18.11.2022				
	The waiting list shall be activated only on the expiry of date of main list	As per Govt / guidlines given in admission broucher				
	The policy of refund of the fee, in case of withdrawal, shall be clearly notified	As per Govt / guidlines given in admission broucher				

#### 12. Criteria and Weightages for Admission

Describe each criterian with its respective weightages i.e. Admission Test, marks in qualifying examination etc.

1) CAP admission: Candidate should be an Indian National and should have passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Chemistry and Mathematics and Secured Minimum 150 marks out of 300 marks (minimum 45% marks i.e. 135 marks out of 300 marks in case of candidates of Backward class categories belonging to Maharashtra state only) in the PCM added together and Obtained non – Zero Score in Physics, Chemistry and Mathematics at MH – CET/AIEEE.

#### 2) Institute level and vacant seat admission:

Candidate should be an Indian National and should have passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Chemistry and Mathematics and Secured Minimum 150 marks out of 300 marks (minimum 45% marks i.e. 135 marks out of 300 marks in case of candidates of Backward class categories belonging to Maharashtra state only) in the PCM added together and Obtained non – Zero Score in Physics, Chemistry and Mathematics at MH – CET/AIEEE.

Candidate should be an Indian National and should have passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Chemistry and Mathematics and Secured Minimum 150 marks out of 300 marks (minimum 45% marks i.e. 135 marks out of 300 marks in case of candidates of Backward class categories belonging to Maharashtra state only) in the PCM added together.

Diploma holders who have passed the Diploma course in Engineering / Technology with minimum of 50 % marks and medium of instruction as English from Polytechnics affiliated to MSBTE or AICTE approved autonomous Polytechnics situate in or outside the Maharashtra state.

## Mention the minimum level of acceptance, if any

Candidate should be an Indian National and should have passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Chemistry and Mathematics and Secured Minimum 150 marks out of 300 marks (minimum 45% marks i.e. 135 marks out of 300 marks in case of candidates of Backward class categories belonging to Maharashtra state only) in the PCM added together and Obtained non – Zero Score in Physics, Chemistry and Mathematics at MH – CET/AIEEE.

# Mention the cut-off levels of percentage and percentile score of the candidates in the admission test for the last three years (2019 to 2021))

Sr No	Name of the programmes	Cut-off levels of percentage and percentile score		percentile
		2019-20	2020-21	2021-22
1	Electronics Engineering	9.86	66.44	61.27
2	Electronics and Telecommunication Engineering	81.55	87.63	82.93
3	Computer Engineering	95.11	97.31	95.63
4	Information TechnologyEngineering	90.46	93.09	89.09
5	Mechanical Engineering	89.40	72.57	68.99
6	Mechatronics Engineering	91.02	91.24	93.97
7	Civil Engineering	79.47	94.34	84.56
8	Artifical & Intellegent (AI) Data Science	-	-	93.49
9.	Computer Engineering (Second Shift)	92.15	90.70	-
10	Design		-	-
11	Industrial Design	-	-	-
12	ME- Electronics Engineering	52.79	6.33	-
13	ME - Electronics and Telecommunication Engineering	-	63.62	10.67
14	ME - Information Technology Engineeing	70.7	76.1	259
15	ME - Computer Engineering	18.33	69.67	15.05

Display marks scored in Test etc. and in aggregate for all candidates who were admitted

# As per Institute merit list based on CET & JEE exam score.

#### 13. List of Applicants

List of candidate whose applications have been received along with percentile / percentage score for each of the qualifying examination in separate categories for open seats. List of candidate who have applied along with percentage and percentile score for Management quota seats.

# As per CET & JEE exam score.

#### 14 Results of Admission under Management seats / vacant seats

Composition of selection team for admission under Management	As per Institute process
Quata with the brif profile of members (This information be made	
available in the public domain after the admission process is over)	
Score of the individual candidate admitted arragned in order or merit	As per CET & JEE exam score
No of candidate who have been offered admission	136
Waiting no of the candidate in order of merit to be operative from the last date of joining of the first list	00
No of the candidate who joined within the date, vacancy position in each category before operation of waiting list	00

#### 15. Information of Infrastructure and Other Resources Available

Particulars	Nos.	Size / Capacity
Number of Class Rooms and size of each	32	66 Sqm
Number of Tutorial rooms and size of each	09	33 sqm
Number of Laboratories and size of each	62	66 sqm
Number of Drawing Halls with capacity of each	02	132 sqm
Number of Computer Centres with capacity of each	01	300 sqm
Central Examination Facility, Number of rooms and capacity of each	Adequate	Adequate
Barrier Free Built Environment for disabled and elderly persons	Adequate	Adequate
Occupancy Certificate	Yes	Yes
Fire and Safety Certificate	Yes	Yes
Hostel Facilities	03	72 Students.

# a) Library Basic Information:

Carpet area of library (in m <sup>2</sup> )	759.4 sq. meter
Reading space (in m <sup>2</sup> )	400 sq. meter

Number of seats in reading space	208
Number of users (issue book) per day	100
Number of users (reading space) per day	200 students per day
Timings	Monday to Friday – 8.00am to 8.00pm 2 <sup>nd</sup> and 4 <sup>th</sup> Saturday - 8.00am to 8.00pm
Qualified Librarian	1
Number of library staff	5
Computerisation for search, indexing, issue/return	Yes
Library services on Internet/Intranet INDEST	Yes
Digital Library details	Yes – 16 Laptops for student use
	Online e-packages, scanned question papers,
	Book CD's, OPAC

#### **Innovation Cell**

TEC has formed Institute Innovation council for start up- innovation activities. This council aims to support creating world class innovators and entrepreneurism along with graduation course of engineering. Through IIC our students as well as faculties are attending different online sessions and competitions like, SIH, National Innovation Contests, KAPILA -IPR and leadership program. We have registered and submitted more than 100 SIH problem solutions in 2019-20 and got shortlisted for 3 software solutions and 2 hardware solutions. We won one prize in final Hardware SIH 2019-20 which was conducted at IIT Hyderabad. We submitted around 11 Software + hardware solutions in SIH 2020. We have submitted two prototypes in National Innovation Contest 2020 and got selected for mentoring from expert assigned by MIC. With Innovation spirit we have arranged online (Covid 19) webinar series and online start up competition in May – June 2020.

Also we are providing incubation facilities with the state of the art physical infrastructure, in terms of capital equipments and operating facilities made available to their start-ups, coupled with the availability of sectoral experts for mentoring. Apart from this, business planning support, access to seed capital, industry partnerships, training and other relevant components required for supporting innovative start-ups will be provided. With this we achieved one successful start-up turned in registered company before completion of graduation in 2020-21.

#### **Social Media Cell**

Media is a gift of technology that provides us with the medium for mass communication. Communication tools used to store and deliver information or data. Social media plays an important role in every student's life. It is easier and convenient to access information, provide information and communicate via social media. Teachers and students are connected to each other and can make good use of these platforms. Platforms like Facebook, LinkedIn, Instagram, YouTube and Twitter are used by almost everyone. Print Media includes newspapers, weeklies, magazines, blogs, banners, graphics, posters and other forms of printed material. In order to effectively make of use of media, it has been decided to publicize our College events through social and print media

#### List of facilities available

 $\underline{https://ternaengg.ac.in/departments/}$ 

To upload the respective short video (1-2 min) of Infrastructure and facilities available w.r.t. the courses in the website.

https://ternaengg.ac.in/

#### List of facilities available

Games and	Gymkhana organizes following events every year:
Sports facilities	<ol> <li>Annual Social gathering event 'Resonance': Every year, the institute organizes an Annual Social Gathering and Excellence Award Ceremony 'Resonance". The students whose performance are excellent in various activities like academic, co-curricular, cultural and sports are awarded with trophy and certificate during the ceremony. During the function the cultural students organize the variety entertainment programe.</li> <li>"Sportec": The Institute organizes Inter Collegiate sports and cultural fest for aspirants assembling from various engineering colleges with a high competitive spirit to participate with strong determination to include their achievements &amp; accomplishments. Institute conducts an Inter – Collegiate Sports and Cultural Competition at every year named "Sportec" (A Blend of Cultural and Sports events).</li> </ol>

#### Soft Skill Developmen t Facilities

#### **Soft Skill Development Facilities:**

Soft skill development programme is a programme for overall development of the students, creating skills necessary for enhancing employability as well as entrepreneurial abilities of students. The programme covers lectures, work-shops and demonstrations by experts.

Therefore, well known personalitities from various fields are invited to share their experiences and success stories. This motivates students for their overall development.

Hence, every year college organizes seminars/workshops on soft skills development for the Third Year Students of Arts, Science and Commerce faculty.

The Soft Skill Development Programme covers the following aspects:

- Personality Development/ Soft Skill Development
- Interview skills and techniques.
- Stress management.
- Meditation
- Goal setting and time Management.
- Leadership Development.
- Communication skills.
- Presentation skills.
- Computer Awareness.
- Creative Thinking.
- Physical fitnes

#### **Teaching Learning Process**
